### Short listed for 2nd year running!

South West Play are so proud to be short listed for the second year running, having been piped to the post in 2014 in the 'Best Use of Design' category, 2015 saw the judges struggle to arrive at a decision to crown the winner of the 'Best Family Business' category. The calibre of the 3 finalists including SWP was very high. We feel sure that 2016 will be our year!

The Cornwall Business Awards are a celebration of innovation, achievement, and entrepreneurial spirit within the Cornish business community. The prestigious evening event shines a spotlight on the amazing people who help drive the Cornish economy and make it one of the best places in the country to do business.

Now in our 10th year, the Cornwall Business Awards are organised and presented by Cornwall Development Company in association with Business Cornwall Magazine and the Cornwall Chamber.
