UNIT 2 STRAND STORES, NEWLYN, PENZANCE TR18 5HA

Drew Davies & Emma Jarvis the owners of R Johns Fabrications are pleased to announce that they've increased the headcount by appointing Daniel Tolchard as the new Manager.

Daniel comes with a wealth of experience having led Halfords to continued growth and success for over two decades! He is looking forward to working alongside the existing team - Drew Davies the Managing Director, Richard Johns and Adam Courtney.

Dan hopes to evolve R Johns Fabrications into a contemporary, dynamic company that will continue to produce a varied range of railings, gates, balconies, fire escapes, structural beams, marine fabrication and bespoke metalwork with product ranges that are manufactured from high quality materials with a varied range of finishes.

So whether it's a new and exciting outdoor project to smarten up your driveway or a refreshing internal overhaul like adding a feature staircase, R Johns Fabrications will have a bespoke solution for you.

We'll even do a lot of things for free – from personal advice and consultation to the individual planning, as well as the generation of quotations; and you'll really enjoy the modern designs we give you to showcase the potential of your individual project.

Dan is focused on offering exceptional customer service and over the coming weeks he will be in touch to introduce himself and see how we can further assist you.

Drew, Dan, Dick and Adam can be contacted on 01736 333412, 07968588393 or [info@rjohnsfabrications.co.uk](mailto:info@rjohnsfabrications.co.uk) or alternatively through South West Play on 01736 360254 or [info@southwestplay.co.uk](mailto:info@southwestplay.co.uk)
